

A highly creative Web design consultant with more than ten years of direct experience in Web site and graphic design, I'm always on the lookout for meaningful ways to contribute my skills.

## detailed experience

Design Consultant, DiGiorgio Design. June 1999–present.  
 Senior Designer, Bussolati Associates. June 1998–June 1999  
 Designer/Art Director, Auras Design. Sept. 1996–May 1998  
 Art Director, American Forests. Dec. 1992–Aug. 1998  
 Designer, National Geographic Society. April 1987–Nov. 1992

## recent projects

- Designed and built Web site (including graphic treatments) for Kathryn's Gift Foundation. The imaginative site, [www.kathryngift.org](http://www.kathryngift.org), raises the organization's fund-raising ability. Includes video and photo gallery. December 2009.
- Designed and built creative, eye-catching Web site, including new logo, for Watershed Environmental Consulting. See [www.digiorgiodesign.com/watersite](http://www.digiorgiodesign.com/watersite). February 2010.
- Designed and built clean, attractive Web site and logo for small business: BrightPort Management Solutions. Created photo gallery and contact form. See [www.digiorgiodesign.com/BrightPort](http://www.digiorgiodesign.com/BrightPort). November 2009.
- Designed advertisements, calendar and invitation for United States Enrichment Corporation. October-December 2008.
- Worked with the Graduate Management Admissions Council to advertise membership services. Produced brochure featuring GMAC member portraits and testimonials. Art directed photoshoots. June-September 2008.
- Redesigned high-end comprehensive marketing package for Valcourt Inc, a waterproofing and window cleaning firm. Included display design and newsletter. April to September 2008.
- Redesigned logo and stationery package for Foodservice Sales and Marketing Association, and for its yearly convention including yearly design for convention materials. Art directed this association's Web site and e-newsletter. May 2006 through present.
